

Unity College SMOKING Policy 8.09

In consideration for others, and consistent with the college's commitment to providing a healthy working, living, and learning environment, smoking is restricted to designated areas. Smoking is prohibited in all parts of all buildings on campus and within 25 feet of all buildings.

Additional Information: When smoking outside of buildings, people should not litter the campus with cigarette butts.

On-site smoking cessation programs will be made available through the health center to assist and encourage students, faculty, and staff who wish to quit smoking.
